The Rosary – A Living Tradition

The month of October is the Month of Our Lady (along with May) but October is in particular the month of the Rosary due to the feast day of Our Lady of the Rosary on October 7th .

The rosary has been a living, growing tradition within the Church over many centuries. The practice originated in the Middle Ages, with the recitation, 150 times, of the first part of what later became the Hail Mary. This was a kind of 'Psalter of Mary', mirroring the use of the 150 psalms in the Liturgy of the Hours. The medieval practice of reciting the Our Father fifteen times in honour of the Passion of Christ seems to have merged with the Marian prayers, one Our Father being attached to each decade. The second half of the Hail Mary gradually developed, and from around the sixteenth century, was generally included as part of the decade. The form of rosary as is best known today was finally established by 1569.

B.E. - BEGINNING EXPERIENCE

B.E. is a support group for those coping with the pain of loss of their life partner, through Death, Separation or Divorce. Few people are able to cope alone with the pain of loss. Seeking help is a sign of strength and self-knowledge – not weakness. This is a healing ministry, which helps to resolve the grief that goes with the end of a marriage or relationship. Coping effectively with bereavement is a skill we can all learn.

Next Residential weekend will take place from 7th - 9th October in St Mary's Priory Main Street Tallaght.
